

Lindsay McCall bought

Paringa Estate in 1984,

when it was a derelict apple orchard. Originally from a farming background, he had a hunch it might have potential for growing grapes.

Many years of hard work later, it has become one of the most awarded vineyards in Victoria, with numerous accolades, including 'Australian Winery of the Year' in James Halliday's Australian Wine Companion.

The Paringa Estate vineyard is an exceptional site.

North facing, the 10 acres of un-irrigated rich, red, volcanic soil curl around the slope like an amphitheatre, sheltered from the harsh South and South Westerly winds. Whilst Pinot Noir has always been the most awarded variety, the unique microclimate also produces exceptional Shiraz and Chardonnay.

Jamie McCall now heads the winemaking team and Lindsay spends most of his time in the vineyard, for that is where great wine begins. Both are meticulous, with an eye for detail. The profound synergy between father and son has led to the creation of some of the finest Paringa Estate wines to date.

We proudly present our wines alongside an exciting collection of regional styles, wines from other areas of Australia, and from around the world.

Peninsula Series

These wines express the unique qualities of the Mornington Peninsula, they are fresh and lively with expressive fruit. The grapes come either from vineyards leased by Paringa, or a few other carefully selected sites.

Single Vineyard

These wines form the pinnacle of the Paringa portfolio. They are the purest expression of our unique terroir. The three varieties, Chardonnay, Shiraz and Pinot Noir, come from the oldest blocks in the home vineyard. They are only made if the vintage yields fruit worthy of the label. The reds are fermented in separate parcels in our three French oak 3,500 Litre foudres.
